Three bright girls

Because we admit students into our program based solely on need, we expect that there will be a wide variance in academic results. That's why it's always a pleasant surprise when a group of classmates rises to the top together. Jovia, Sophia, and Zaitun completed their first year of high school with extraordinary performances.

Zaitun, Jovia, Sophia

There are 125 students crammed into their classroom and in the latest reporting period they ranked 2nd, 3rd, and 4th in the class. They take fifteen subjects, including Physics, Chemistry, and Biology. Jovia and Sophia each earned nine Distinctions, and Zaitun seven. Each of these girls comes from a very difficult home situation but they don't allow that to hold them back. Their role model is their Math teacher, Madam Winfred, herself a product of the St. Nicholas Uganda Children's Fund.

The St. Nicholas Uganda Children's Fund supports over 240 orphans and vulnerable children in primary & secondary school, vocational & professional training, and university. We pay school fees and provide uniforms, shoes & socks, school supplies, meals, and health care. With your help, we can make a real difference in their young lives.

2017 Presentations We would love to meet you in person. This summer we will be speaking in Warren, OH, Livonia, MI, Memphis, TN, and Linthicum, MD. Check our website for details.

Student of the Month

Dorah's father died when she was nine years old and her mother is HIV positive. This is Dorah's seventh year in our program and she is completing her first year at Ndejje University majoring in Electrical Engineering. She was our top science student in Advanced Level High School with a subject combination of Math, Physics, and Economics. She's continuing her record of academic excellence with a 4.0 GPA (out of 5), including an A in Engineering Math.

Help Us Help the Children

We welcome donations of any amount. You can also help by organizing a fundraising event in your church, school, office, Sunday School, or organization on behalf of the children of Uganda. Fliers and information sheets are available for downloading on the website.

Our fifth graders receive dictionaries and atlases.

Donations to help support our children can be sent to the St. Nicholas Uganda Children's Fund, P.O. Box 285, Chardon, OH 44024-0285, or you can donate on-line via PayPal by clicking the "Donate" button below.
