Let us give rightful praise to the Son of Thunder, the source of divine words, the chief theologian, the first to proclaim the truths of the teachings of the Wisdom of God: John the beloved and virgin. For, divinely inspired from within, he said: "In the beginning was the Word!" He taught that the Word is inseparable from the Father; equal to Him in nature, and revealed to us the right worship of the Trinity. He has also shown us the Creator, Who, being with the Father and bearing life, showed us the True Light. O awesome and fearful wonder! As you were filled with love, you were filled with divine speech, and with the glory, belief, and honor that confirm our undivided faith, through which we attain the eternal
